

**MC10E112FNR2 Information**

For Reference Only

**Part Number** [MC10E112FNR2](#)  
**Manufacturer** ON Semiconductor  
**Category** Integrated Circuits (ICs)  
[Logic - Gates and Inverters - Multi-Function, Configurable](#)  
**Description** IC DRIVER QUAD ECL N-INV 28PLCC  
**Package** 28-LCC (J-Lead)

| Series                     | 10E                                                                                                     |
| Logic Type                 | NOR/OR Gate                                                                                             |
| Number of Circuits         | 4                                                                                                       |
| Number of Inputs           | 1                                                                                                       |
| Schmitt Trigger Input      | No                                                                                                      |
| Output Type                | Differential                                                                                            |
| Current - Output High, Low | -                                                                                                       |
| Voltage - Supply           | -4.2 V ~ -5.7 V                                                                                         |
| Operating Temperature      | 0°C ~ 85°C                                                                                              |
| Mounting Type              | Surface Mount                                                                                           |
| Package / Case             | 28-LCC (J-Lead)                                                                                         |
| Supplier Device Package    | 28-PLCC (11.51x11.51)                                                                                   |

## MC10E112FNR2 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MC10E112FNR2 Payment Methods

## MC10E112FNR2 Shipping Methods

If you have any question about MC10E112FNR2, please do not hesitate to contact us!
