

**MC74HC125AFG Information**

For Reference Only

**Part Number** [MC74HC125AFG](#)  
**Manufacturer** ON Semiconductor  
**Category** Integrated Circuits (ICs)  
[Logic - Buffers, Drivers, Receivers, Transceivers](#)  
**Description** IC BUFF TRI-ST QD N-INV 14SOEIAJ  
**Package** 14-SOIC (0.209", 5.30mm Width)

| Manufacturer               | ON Semiconductor                                                                               |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Logic - Buffers, Drivers, Receivers, Transceivers</a> |
| Package                    | 14-SOIC (0.209", 5.30mm Width)                                                                 |
| Series                     | 74HC                                                                                           |
| Logic Type                 | Buffer, Non-Inverting                                                                          |
| Number of Elements         | 4                                                                                              |
| Number of Bits per Element | 1                                                                                              |
| Input Type                 | -                                                                                              |
| Output Type                | Push-Pull                                                                                      |
| Current - Output High, Low | 7.8mA, 7.8mA                                                                                   |
| Voltage - Supply           | 2 V ~ 6 V                                                                                      |
| Operating Temperature      | -55°C ~ 125°C (TA)                                                                             |
| Mounting Type              | Surface Mount                                                                                  |
| Package / Case             | 14-SOIC (0.209", 5.30mm Width)                                                                 |
| Supplier Device Package    | SOEIAJ-14                                                                                      |

## MC74HC125AFG Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MC74HC125AFG Payment Methods

## MC74HC125AFG Shipping Methods

If you have any question about MC74HC125AFG, please do not hesitate to contact us!
