

**MIC5303-2.5YMT-TR Information**

For Reference Only

**Part Number** [MIC5303-2.5YMT-TR](#)  
**Manufacturer** Microchip Technology  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - Linear](#)  
**Description** IC REG LINEAR 2.5V 300MA 4TMLF  
**Package** 4-VDFN Exposed Pad, 4-TMLF?

| Manufacturer                 | Microchip Technology                                                            |
| Category                     | Integrated Circuits (ICs)<br><a href="#">PMIC - Voltage Regulators - Linear</a> |
| Package                      | 4-VDFN Exposed Pad, 4-TMLF?                                                     |
| Series                       | -                                                                               |
| Output Configuration         | Positive                                                                        |
| Output Type                  | Fixed                                                                           |
| Number of Regulators         | 1                                                                               |
| Voltage - Input (Max)        | 5.5V                                                                            |
| Voltage - Output (Min/Fixed) | 2.5V                                                                            |
| Voltage - Output (Max)       | -                                                                               |
| Voltage Dropout (Max)        | 0.2V @ 300mA                                                                    |
| Current - Output             | 300mA                                                                           |
| Current - Quiescent (Iq)     | -                                                                               |
| Current - Supply (Max)       | 120µA                                                                           |
| PSRR                         | 65dB ~ 42dB (1kHz ~ 20kHz)                                                      |
| Control Features             | Enable                                                                          |
| Protection Features          | Over Current, Over Temperature                                                  |
| Operating Temperature        | -40°C ~ 125°C                                                                   |
| Mounting Type                | Surface Mount                                                                   |
| Package / Case               | 4-VDFN Exposed Pad, 4-TMLF?                                                     |
| Supplier Device Package      | 4-TMLF? (1.2x1.6)                                                               |

## MIC5303-2.5YMT-TR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MIC5303-2.5YMT-TR Payment Methods

## MIC5303-2.5YMT-TR Shipping Methods

If you have any question about MIC5303-2.5YMT-TR, please do not hesitate to contact us!
