

**MK17-B-1 Information**

For Reference Only

**Part Number** [MK17-B-1](#)  
**Manufacturer** Standex-Meder Electronics  
**Category** Switches  
[Magnetic, Reed Switches](#)  
**Description** SWITCH REED SPST-NO 500MA 170V  
**Package** -

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MK17-B-1 Specifications**

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Manufacturer Part Number | <a href="#">MK17-B-1</a>                                  |
| Manufacturer             | Standex-Meder Electronics                                 |
| Category                 | Switches<br><a href="#">Magnetic, Reed Switches</a>       |
| Package                  | -                                                         |
| Series                   | MK17                                                      |
| Type                     | Molded Body                                               |
| Circuit                  | SPST-NO                                                   |
| Operate Range            | 10 ~ 15AT                                                 |
| Release Range            | -                                                         |
| Current - Switching      | 500mA (AC/DC)                                             |
| Voltage - Switching AC   | 170V                                                      |
| Voltage - Switching DC   | 170V                                                      |
| Power - Rated            | 10W                                                       |
| Operate Time             | 0.6ms                                                     |
| Release Time             | 0.05ms                                                    |
| Mounting Type            | Surface Mount                                             |
| Termination Style        | Axial, Flat                                               |
| Length - Overall         | 0.492" (12.50mm)                                          |
| Size - Body              | 0.335" L x 0.083" W x 0.083" H (8.50mm x 2.10mm x 2.10mm) |
| Height Above Board       | -                                                         |
| Operating Temperature    | -40°C ~ 130°C                                             |
| Capacitance              | 0.4pF                                                     |
| Current - Carry          | 500mA (AC/DC)                                             |

## MK17-B-1 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MK17-B-1 Payment Methods

## MK17-B-1 Shipping Methods

If you have any question about MK17-B-1, please do not hesitate to contact us!
