

**MKP1845247206 Information**

For Reference Only

**Part Number** [MKP1845247206](#)  
**Manufacturer** Vishay BC Components  
**Category** Capacitors  
     [Film Capacitors](#)  
**Description** CAP FILM 4700PF 20% 2KVDC AXIAL  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MKP1845247206 Specifications**

|                                    |                                                   |
|------------------------------------|---------------------------------------------------|
| Manufacturer Part Number           | <a href="#">MKP1845247206</a>                     |
| Manufacturer                       | Vishay BC Components                              |
| Category                           | Capacitors<br><a href="#">Film Capacitors</a>     |
| Package                            | Axial                                             |
| Series                             | MKP1845                                           |
| Capacitance                        | 4700pF                                            |
| Tolerance                          | ±20%                                              |
| Voltage Rating - AC                | 700V                                              |
| Voltage Rating - DC                | 2000V (2kV)                                       |
| Dielectric Material                | Polypropylene (PP), Metallized                    |
| ESR (Equivalent Series Resistance) | -                                                 |
| Operating Temperature              | -55°C ~ 100°C                                     |
| Mounting Type                      | Through Hole                                      |
| Package / Case                     | Axial                                             |
| Size / Dimension                   | 0.315" Dia x 1.142" L (8.00mm x 29.00mm)          |
| Height - Seated (Max)              | -                                                 |
| Termination                        | PC Pins                                           |
| Lead Spacing                       | -                                                 |
| Applications                       | DC Link, DC Filtering; High Pulse, DV/DT; Snubber |
| Features                           | -                                                 |
