## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

### MKP385243160JFP2B0 Specifications

| Manufacturer Part Number           | MKP385243160JFP2B0                                                  |
|------------------------------------|---------------------------------------------------------------------|
| Manufacturer                       | Vishay BC Components                                                |
| Category                           | Capacitors                                                          |
|                                    | Film Capacitors                                                     |
| Package                            | Radial                                                              |
| Series                             | MKP385                                                              |
| Capacitance                        | 4300pF                                                              |
| Tolerance                          | $\pm 5\%$                                                           |
| Voltage Rating - AC                | 550V                                                                |
| Voltage Rating - DC                | 1600V (1.6kV)                                                       |
| Dielectric Material                | Polypropylene (PP), Metallized                                      |
| ESR (Equivalent Series Resistance) | -                                                                   |
| Operating Temperature              | -55°C ~ 110°C                                                       |
| Mounting Type                      | Through Hole                                                        |
| Package / Case                     | Radial                                                              |
| Size / Dimension                   | 0.689" L x 0.197" W (17.50mm x 5.00mm)                              |
| Height - Seated (Max)              | 0.433" (11.00mm)                                                    |
| Termination                        | PC Pins                                                             |
| Lead Spacing                       | 0.591" (15.00mm)                                                    |
| Applications                       | DC Link, DC Filtering; High Frequency, Switching; High Pulse, DV/DT |
| Features                           | -                                                                   |
|                                    | Report errors?                                                      |

### MKP385243160JFP2B0 Guarantees

**Quality Guarantees** 

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

#### MKP385243160JFP2B0 Payment Methods

If you have any question about MKP385243160JFP2B0, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
