#### **MMBT4356 Information**

| www.Belseper.com   | Part Number  | MMBT4356                                                                |  |
|--------------------|--------------|-------------------------------------------------------------------------|--|
|                    | Manufacturer | Fairchild/ON Semiconductor                                              |  |
|                    | Category     | Discrete Semiconductor Products<br>Transistors - Bipolar (BJT) - Single |  |
|                    | Description  | TRANS PNP 80V 0.8A SOT-23                                               |  |
|                    | Package      | TO-236-3, SC-59, SOT-23-3                                               |  |
|                    |              | For the pricing/inventory/lead time, please contact                     |  |

## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

### **MMBT4356 Specifications**

| Manufacturer Part Number                    | MMBT4356                             |
|---------------------------------------------|--------------------------------------|
| Manufacturer                                | Fairchild/ON Semiconductor           |
| Category                                    | Discrete Semiconductor Products      |
|                                             | Transistors - Bipolar (BJT) - Single |
| Package                                     | TO-236-3, SC-59, SOT-23-3            |
| Series                                      | -                                    |
| Transistor Type                             | PNP                                  |
| Current - Collector (Ic) (Max)              | 800mA                                |
| Voltage - Collector Emitter Breakdown (Max) | 80V                                  |
| Vce Saturation (Max) @ Ib, Ic               | 500mV @ 50mA, 500mA                  |
| Current - Collector Cutoff (Max)            | 50nA                                 |
| DC Current Gain (hFE) (Min) @ Ic, Vce       | 50 @ 10mA, 10V                       |
| Power - Max                                 | 350mW                                |
| Frequency - Transition                      | -                                    |
| Operating Temperature                       | -55°C ~ 150°C (TJ)                   |
| Mounting Type                               | Surface Mount                        |
| Package / Case                              | TO-236-3, SC-59, SOT-23-3            |
| Supplier Device Package                     | SOT-23-3                             |
|                                             | Report errors?                       |

#### **MMBT4356** Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

# MMBT4356 Payment Methods

## **MMBT4356 Shipping Methods**

If you have any question about MMBT4356, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
