

**MRF6V13250HSR3 Information**

For Reference Only

**Part Number** [MRF6V13250HSR3](#)  
**Manufacturer** NXP  
**Category** Discrete Semiconductor Products  
[Transistors - FETs, MOSFETs - RF](#)  
**Description** FET RF 120V 1.3GHZ NI780S  
**Package** NI-780S

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MRF6V13250HSR3 Specifications**

|                          |                                                                                     |

| Manufacturer Part Number | <a href="#">MRF6V13250HSR3</a>                                                      |
| Manufacturer             | NXP                                                                                 |
| Category                 | Discrete Semiconductor Products<br><a href="#">Transistors - FETs, MOSFETs - RF</a> |
| Package                  | NI-780S                                                                             |
| Series                   | -                                                                                   |
| Transistor Type          | LDMOS                                                                               |
| Frequency                | 1.3GHz                                                                              |
| Gain                     | 22.7dB                                                                              |
| Voltage - Test           | 50V                                                                                 |
| Current Rating           | -                                                                                   |
| Noise Figure             | -                                                                                   |
| Current - Test           | 100mA                                                                               |
| Power - Output           | 250W                                                                                |
| Voltage - Rated          | 120V                                                                                |
| Package / Case           | NI-780S                                                                             |
| Supplier Device Package  | NI-780S                                                                             |

## MRF6V13250HSR3 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MRF6V13250HSR3 Payment Methods

## MRF6V13250HSR3 Shipping Methods

If you have any question about MRF6V13250HSR3, please do not hesitate to contact us!
