

**MS4800S-30-1240-03X-03R Information**

For Reference Only

**Part Number** [MS4800S-30-1240-03X-03R](#)  
**Manufacturer** Omron Automation and Safety  
**Category** Sensors, Transducers  
[Optical Sensors - Photoelectric, Industrial](#)  
**Description** SAFETY LIGHT CURTAIN SYSTEM  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Manufacturer                   | Omron Automation and Safety                                                         |
| Category                       | Sensors, Transducers<br><a href="#">Optical Sensors - Photoelectric, Industrial</a> |
| Package                        | -                                                                                   |
| Series                         | MS4800                                                                              |
| Sensing Method                 | Through-Beam                                                                        |
| Sensing Distance               | 787.4" (20m)                                                                        |
| Voltage - Supply               | 24V                                                                                 |
| Response Time                  | 14ms                                                                                |
| Output Configuration           | PNP - Open Collector                                                                |
| Connection Method              | Cable with Connector                                                                |
| Ingress Protection             | IP65                                                                                |
| Cable Length                   | -                                                                                   |
| Light Source                   | Infrared (880nm)                                                                    |
| Adjustment Type                | -                                                                                   |
| Operating Temperature          | -10°C ~ 55°C                                                                        |
| <a href="#">Report errors?</a> |                                                                                     |

## MS4800S-30-1240-03X-03R Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MS4800S-30-1240-03X-03R Payment Methods

## MS4800S-30-1240-03X-03R Shipping Methods

If you have any question about MS4800S-30-1240-03X-03R, please do not hesitate to contact us!
