

**MSP430FR59721IPMR Information**

For Reference Only

**Part Number** [MSP430FR59721IPMR](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 16BIT 64KB FRAM 64LQFP  
**Package** 64-LQFP

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MSP430FR59721IPMR Specifications**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">MSP430FR59721IPMR</a>                                        |
| Manufacturer               | Texas Instruments                                                        |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Embedded - Microcontrollers</a> |
| Package                    | 64-LQFP                                                                  |
| Series                     | MSP430? FRAM                                                             |
| Core Processor             | CPUXV2                                                                   |
| Core Size                  | 16-Bit                                                                   |
| Speed                      | 16MHz                                                                    |
| Connectivity               | I2C, IrDA, SCI, SPI, UART/USART                                          |
| Peripherals                | Brown-out Detect/Reset, DMA, POR, PWM, WDT                               |
| Number of I/O              | 51                                                                       |
| Program Memory Size        | 64KB (64K x 8)                                                           |
| Program Memory Type        | FRAM                                                                     |
| EEPROM Size                | -                                                                        |
| RAM Size                   | 2K x 8                                                                   |
| Voltage - Supply (Vcc/Vdd) | 1.8 V ~ 3.6 V                                                            |
| Data Converters            | A/D 8x12b                                                                |
| Oscillator Type            | Internal                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 64-LQFP                                                                  |
| Supplier Device Package    | 64-LQFP (10x10)                                                          |

## MSP430FR59721IPMR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MSP430FR59721IPMR Payment Methods

## MSP430FR59721IPMR Shipping Methods

If you have any question about MSP430FR59721IPMR, please do not hesitate to contact us!
