

**MT28F640J3RP-115 ET TR Information**

For Reference Only

**Part Number** [MT28F640J3RP-115 ET TR](#)  
**Manufacturer** Micron Technology Inc.  
**Category** Integrated Circuits (ICs)  
[Memory](#)  
**Description** IC FLASH 64MBIT 115NS 56TSOP  
**Package** 56-TFSOP (0.724", 18.40mm Width)

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MT28F640J3RP-115 ET TR Specifications**

|                               |                                                     |
|-------------------------------|-----------------------------------------------------|
| Manufacturer Part Number      | <a href="#">MT28F640J3RP-115 ET TR</a>              |
| Manufacturer                  | Micron Technology Inc.                              |
| Category                      | Integrated Circuits (ICs)<br><a href="#">Memory</a> |
| Package                       | 56-TFSOP (0.724", 18.40mm Width)                    |
| Series                        | -                                                   |
| Memory Type                   | Non-Volatile                                        |
| Memory Format                 | FLASH                                               |
| Technology                    | FLASH                                               |
| Memory Size                   | 64Mb (8M x 8, 4M x 16)                              |
| Memory Interface              | Parallel                                            |
| Clock Frequency               | -                                                   |
| Write Cycle Time - Word, Page | -                                                   |
| Access Time                   | 115ns                                               |
| Voltage - Supply              | 2.7 V ~ 3.6 V                                       |
| Operating Temperature         | -40°C ~ 85°C (TA)                                   |
| Mounting Type                 | Surface Mount                                       |
| Package / Case                | 56-TFSOP (0.724", 18.40mm Width)                    |
| Supplier Device Package       | 56-TSOP I                                           |

## MT28F640J3RP-115 ET TR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## MT28F640J3RP-115 ET TR Payment Methods

## MT28F640J3RP-115 ET TR Shipping Methods

If you have any question about MT28F640J3RP-115 ET TR, please do not hesitate to contact us!
