

### **MTLT105S-R Information**

For Reference Only

Part Number MTLT105S-R Manufacturer Memsic Inc.

Category Sensors, Transducers

Motion Sensors - Inclinometers

**Description** TILT SENSOR MODULE

Package Module

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **MTLT105S-R Specifications**

| -                        |                                |
|--------------------------|--------------------------------|
| Manufacturer Part Number | MTLT105S-R                     |
| Manufacturer             | Memsic Inc.                    |
| Category                 | Sensors, Transducers           |
|                          | Motion Sensors - Inclinometers |
| Package                  | Module                         |
| Series                   | -                              |
| Axis                     | X, Y                           |
| Measuring Range          | ±180°                          |
| Sensitivity              | -                              |
| Bandwidth                | 50Hz                           |
| Voltage Rating           | 9 ~ 32 V                       |
| Output Type              | RS-232                         |
| Interface                | Serial                         |
| Package / Case           | Module                         |
| Operating Temperature    | -40°C ~ 70°C                   |
|                          | Report errors?                 |

#### **MTLT105S-R Guarantees**

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.
