

**MXLP6KE170A Information**

For Reference Only

**Part Number** [MXLP6KE170A](#)  
**Manufacturer** Microsemi Corporation  
**Category** Circuit Protection  
     [TVS - Diodes](#)  
**Description** TVS DIODE 145VWM 234VC T18  
**Package** T-18, Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**MXLP6KE170A Specifications**

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| Manufacturer Part Number         | <a href="#">MXLP6KE170A</a>                        |
| Manufacturer                     | Microsemi Corporation                              |
| Category                         | Circuit Protection<br><a href="#">TVS - Diodes</a> |
| Package                          | T-18, Axial                                        |
| Series                           | Military, MIL-PRF-19500                            |
| Type                             | Zener                                              |
| Unidirectional Channels          | 1                                                  |
| Bidirectional Channels           | -                                                  |
| Voltage - Reverse Standoff (Typ) | 145V                                               |
| Voltage - Breakdown (Min)        | 161V                                               |
| Voltage - Clamping (Max) @ Ipp   | 234V                                               |
| Current - Peak Pulse (10/1000µs) | 2.6A                                               |
| Power - Peak Pulse               | 600W                                               |
| Power Line Protection            | No                                                 |
| Applications                     | General Purpose                                    |
| Capacitance @ Frequency          | -                                                  |
| Operating Temperature            | -65°C ~ 150°C (TJ)                                 |
| Mounting Type                    | Through Hole                                       |
| Package / Case                   | T-18, Axial                                        |
| Supplier Device Package          | T-18                                               |
