

**NCP81610MNTXG Information**

For Reference Only

**Part Number** [NCP81610MNTXG](#)  
**Manufacturer** ON Semiconductor  
**Category** Integrated Circuits (ICs)  
 PMIC - Voltage Regulators - DC DC Switching Controllers  
**Description** IC CTRLR 8-PHASE 40QFN  
**Package** -  
 For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**NCP81610MNTXG Specifications**

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">NCP81610MNTXG</a>                                                                        |
| Manufacturer               | ON Semiconductor                                                                                     |

| Package                    | -                                                                                                    |
| Series                     | *                                                                                                    |
| Output Type                | -                                                                                                    |
| Function                   | -                                                                                                    |
| Output Configuration       | -                                                                                                    |
| Topology                   | -                                                                                                    |
| Number of Outputs          | -                                                                                                    |
| Output Phases              | -                                                                                                    |
| Voltage - Supply (Vcc/Vdd) | -                                                                                                    |
| Frequency - Switching      | -                                                                                                    |
| Duty Cycle (Max)           | -                                                                                                    |
| Synchronous Rectifier      | -                                                                                                    |
| Clock Sync                 | -                                                                                                    |
| Serial Interfaces          | -                                                                                                    |
| Control Features           | -                                                                                                    |
| Operating Temperature      | -                                                                                                    |
| Package / Case             | -                                                                                                    |
| Supplier Device Package    | -                                                                                                    |

## NCP81610MNTXG Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## NCP81610MNTXG Payment Methods

## NCP81610MNTXG Shipping Methods

If you have any question about NCP81610MNTXG, please do not hesitate to contact us!
