

**P51-100-S-T-D-20MA-000-000 Information**

For Reference Only

**Part Number** [P51-100-S-T-D-20MA-000-000](#)  
**Manufacturer** SSI Technologies Inc  
**Category** Sensors, Transducers  
                   [Pressure Sensors, Transducers](#)  
**Description** SENSOR 100PSIS 7/16 4-20MA  
**Package** Cylinder

| Package                        | Cylinder                                                              |
| Series                         | MediaSensor?                                                          |
| Pressure Type                  | Sealed Gauge                                                          |
| Operating Pressure             | 100 PSI (689.48 kPa)                                                  |
| Output Type                    | Analog Current                                                        |
| Output                         | 4 mA ~ 20 mA                                                          |
| Accuracy                       | ±0.5%                                                                 |
| Voltage - Supply               | 8 V ~ 30 V                                                            |
| Port Size                      | Female - 7/16" (11.11mm) UNF                                          |
| Port Style                     | Threaded                                                              |
| Features                       | Amplified Output, Temperature Compensated                             |
| Termination Style              | Deutsch, 3 Pin                                                        |
| Maximum Pressure               | -                                                                     |
| Operating Temperature          | -40°C ~ 105°C                                                         |
| Package / Case                 | Cylinder                                                              |
| Supplier Device Package        | -                                                                     |
| <a href="#">Report errors?</a> |                                                                       |

## P51-100-S-T-D-20MA-000-000 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## P51-100-S-T-D-20MA-000-000 Payment Methods

## P51-100-S-T-D-20MA-000-000 Shipping Methods

If you have any question about P51-100-S-T-D-20MA-000-000, please do not hesitate to contact us!
