

**P51-1500-S-E-P-5V-000-000 Information**

For Reference Only

**Part Number** [P51-1500-S-E-P-5V-000-000](#)  
**Manufacturer** SSI Technologies Inc  
**Category** Sensors, Transducers  
                   [Pressure Sensors, Transducers](#)  
**Description** SENSOR 1500PSIS 3/8 UNF 5V  
**Package** Cylinder

| Manufacturer             | SSI Technologies Inc                                                  |
| Category                 | Sensors, Transducers<br><a href="#">Pressure Sensors, Transducers</a> |
| Package                  | Cylinder                                                              |
| Series                   | MediaSensor?                                                          |
| Pressure Type            | Sealed Gauge                                                          |
| Operating Pressure       | 1500 PSI (10342.14 kPa)                                               |
| Output Type              | Analog Voltage                                                        |
| Output                   | 1 V ~ 5 V                                                             |
| Accuracy                 | ±0.5%                                                                 |
| Voltage - Supply         | 8 V ~ 30 V                                                            |
| Port Size                | Male - 3/8" (9.52mm) UNF                                              |
| Port Style               | Threaded                                                              |
| Features                 | Amplified Output, Temperature Compensated                             |
| Termination Style        | Packard, 3 Pin                                                        |
| Maximum Pressure         | -                                                                     |
| Operating Temperature    | -40°C ~ 105°C                                                         |
| Package / Case           | Cylinder                                                              |
| Supplier Device Package  | -                                                                     |

## P51-1500-S-E-P-5V-000-000 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## P51-1500-S-E-P-5V-000-000 Payment Methods

## P51-1500-S-E-P-5V-000-000 Shipping Methods

If you have any question about P51-1500-S-E-P-5V-000-000, please do not hesitate to contact us!
