

**PA4307.103NLT Information**

For Reference Only

**Part Number** [PA4307.103NLT](#)  
**Manufacturer** Pulse Electronics Power  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 10UH 2.8A 140 MOHM SMD  
**Package** Nonstandard

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**PA4307.103NLT Specifications**

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | <a href="#">PA4307.103NLT</a>                               |
| Manufacturer              | Pulse Electronics Power                                     |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | Nonstandard                                                 |
| Series                    | PA4307                                                      |
| Type                      | Wirewound                                                   |
| Material - Core           | -                                                           |
| Inductance                | 10µH                                                        |
| Tolerance                 | ±20%                                                        |
| Current Rating            | 2.8A                                                        |
| Current - Saturation      | -                                                           |
| Shielding                 | Unshielded                                                  |
| DC Resistance (DCR)       | 140 mOhm Max                                                |
| Q @ Freq                  | -                                                           |
| Frequency - Self Resonant | -                                                           |
| Ratings                   | -                                                           |
| Operating Temperature     | -40°C ~ 125°C                                               |
| Frequency - Test          | 100kHz                                                      |
| Features                  | -                                                           |
| Mounting Type             | Surface Mount                                               |
| Package / Case            | Nonstandard                                                 |
| Supplier Device Package   | -                                                           |
| Size / Dimension          | 0.287" L x 0.287" W (7.30mm x 7.30mm)                       |

Height - Seated (Max)

0.138" (3.50mm)

## PA4307.103NLT Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## PA4307.103NLT Payment Methods

## PA4307.103NLT Shipping Methods

If you have any question about PA4307.103NLT, please do not hesitate to contact us!
