

**PIC18F458-I/PT Information**

For Reference Only

**Part Number** [PIC18F458-I/PT](#)  
**Manufacturer** Microchip Technology  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 8BIT 32KB FLASH 44TQFP  
**Package** 44-TQFP

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**PIC18F458-I/PT Specifications**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">PIC18F458-I/PT</a>                                           |
| Manufacturer               | Microchip Technology                                                     |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Embedded - Microcontrollers</a> |
| Package                    | 44-TQFP                                                                  |
| Series                     | PIC? 18F                                                                 |
| Core Processor             | PIC                                                                      |
| Core Size                  | 8-Bit                                                                    |
| Speed                      | 40MHz                                                                    |
| Connectivity               | CAN, I2C, SPI, UART/USART                                                |
| Peripherals                | Brown-out Detect/Reset, LVD, POR, PWM, WDT                               |
| Number of I/O              | 33                                                                       |
| Program Memory Size        | 32KB (16K x 16)                                                          |
| Program Memory Type        | FLASH                                                                    |
| EEPROM Size                | 256 x 8                                                                  |
| RAM Size                   | 1.5K x 8                                                                 |
| Voltage - Supply (Vcc/Vdd) | 4.2 V ~ 5.5 V                                                            |
| Data Converters            | A/D 8x10b                                                                |
| Oscillator Type            | External                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 44-TQFP                                                                  |
| Supplier Device Package    | 44-TQFP (10x10)                                                          |

## PIC18F458-I/PT Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## PIC18F458-I/PT Payment Methods

## PIC18F458-I/PT Shipping Methods

If you have any question about PIC18F458-I/PT, please do not hesitate to contact us!
