

**PIC32MZ0512EFF100-I/PF Information**

For Reference Only

**Part Number** [PIC32MZ0512EFF100-I/PF](#)  
**Manufacturer** Microchip Technology  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 32BIT 512KB FLASH 100TQFP  
**Package** 100-TQFP

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**PIC32MZ0512EFF100-I/PF Specifications**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">PIC32MZ0512EFF100-I/PF</a>                                   |
| Manufacturer               | Microchip Technology                                                     |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Embedded - Microcontrollers</a> |
| Package                    | 100-TQFP                                                                 |
| Series                     | PIC? 32MZ                                                                |
| Core Processor             | MIPS32? M-Class                                                          |
| Core Size                  | 32-Bit                                                                   |
| Speed                      | 200MHz                                                                   |
| Connectivity               | CAN, EB1/EMI, Ethernet, I2C, PMP, SPI, SQI, UART/USART, USB OTG          |
| Peripherals                | Brown-out Detect/Reset, DMA, I2S, POR, PWM, WDT                          |
| Number of I/O              | 78                                                                       |
| Program Memory Size        | 512KB (512K x 8)                                                         |
| Program Memory Type        | FLASH                                                                    |
| EEPROM Size                | -                                                                        |
| RAM Size                   | 128K x 8                                                                 |
| Voltage - Supply (Vcc/Vdd) | 2.1 V ~ 3.6 V                                                            |
| Data Converters            | A/D 40x12b                                                               |
| Oscillator Type            | Internal                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 100-TQFP                                                                 |
| Supplier Device Package    | 100-TQFP (14x14)                                                         |

## PIC32MZ0512EFF100-I/PF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## PIC32MZ0512EFF100-I/PF Payment Methods

## PIC32MZ0512EFF100-I/PF Shipping Methods

If you have any question about PIC32MZ0512EFF100-I/PF, please do not hesitate to contact us!
