

**PM1608S-332M Information**

For Reference Only

**Part Number** [PM1608S-332M](#)  
**Manufacturer** Bourns Inc.  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 3.3MH 80MA 11 OHM SMD  
**Package** Nonstandard

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**PM1608S-332M Specifications**

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | <a href="#">PM1608S-332M</a>                                |
| Manufacturer              | Bourns Inc.                                                 |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | Nonstandard                                                 |
| Series                    | PM1608S                                                     |
| Type                      | Wirewound                                                   |
| Material - Core           | Ferrite                                                     |
| Inductance                | 3.3mH                                                       |
| Tolerance                 | ±20%                                                        |
| Current Rating            | 80mA                                                        |
| Current - Saturation      | -                                                           |
| Shielding                 | Shielded                                                    |
| DC Resistance (DCR)       | 11 Ohm Max                                                  |
| Q @ Freq                  | -                                                           |
| Frequency - Self Resonant | 1MHz                                                        |
| Ratings                   | -                                                           |
| Operating Temperature     | -40°C ~ 85°C                                                |
| Frequency - Test          | 100kHz                                                      |
| Features                  | -                                                           |
| Mounting Type             | Surface Mount                                               |
| Package / Case            | Nonstandard                                                 |
| Supplier Device Package   | -                                                           |
| Size / Dimension          | 0.260" L x 0.175" W (6.60mm x 4.45mm)                       |

Height - Seated (Max)

0.115" (2.92mm)

## PM1608S-332M Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## PM1608S-332M Payment Methods

## PM1608S-332M Shipping Methods

If you have any question about PM1608S-332M, please do not hesitate to contact us!
