## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## QM48T50033-PBA0 Specifications

| Manufacturer Part Number | QM48T50033-PBA0              |
|--------------------------|------------------------------|
| Manufacturer             | Bel Power Solutions          |
| Category                 | Power Supplies - Board Mount |
|                          | DC DC Converters             |
| Package                  | -                            |
| Series                   | -                            |
| Туре                     | -                            |
| Number of Outputs        | -                            |
| Voltage - Input (Min)    | -                            |
| Voltage - Input (Max)    | -                            |
| Voltage - Output 1       | -                            |
| Voltage - Output 2       | -                            |
| Voltage - Output 3       | -                            |
| Voltage - Output 4       | -                            |
| Current - Output (Max)   | -                            |
| Power (Watts)            | -                            |
| Voltage - Isolation      | -                            |
| Applications             | -                            |
| Features                 | -                            |
| Operating Temperature    | -                            |
| Efficiency               | -                            |
| Mounting Type            | -                            |
| Package / Case           | -                            |
| Size / Dimension         | -                            |
|                          |                              |
