

**R5F562TADDFM#V1 Information**

For Reference Only

**Part Number** [R5F562TADDFM#V1](#)  
**Manufacturer** Renesas Electronics America  
**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)  
**Description** IC MCU 32BIT 256KB FLASH 64LQFP  
**Package** 64-LQFP

| Package                    | 64-LQFP                                                                  |
| Series                     | RX600                                                                    |
| Core Processor             | RX                                                                       |
| Core Size                  | 32-Bit                                                                   |
| Speed                      | 100MHz                                                                   |
| Connectivity               | I2C, LIN, SCI, SPI                                                       |
| Peripherals                | DMA, LVD, POR, PWM, WDT                                                  |
| Number of I/O              | 37                                                                       |
| Program Memory Size        | 256KB (256K x 8)                                                         |
| Program Memory Type        | FLASH                                                                    |
| EEPROM Size                | -                                                                        |
| RAM Size                   | 16K x 8                                                                  |
| Voltage - Supply (Vcc/Vdd) | 4 V ~ 5.5 V                                                              |
| Data Converters            | A/D 8x12b                                                                |
| Oscillator Type            | Internal                                                                 |
| Operating Temperature      | -40°C ~ 85°C (TA)                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | 64-LQFP                                                                  |
| Supplier Device Package    | 64-LFQFP (10x10)                                                         |

## R5F562TADDFM#V1 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## R5F562TADDFM#V1 Payment Methods

## R5F562TADDFM#V1 Shipping Methods

If you have any question about R5F562TADDFM#V1, please do not hesitate to contact us!
