**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**RLR07C1001GSB14 Specifications**

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Manufacturer Part Number | <a href="#">RLR07C1001GSB14</a>                     |
| Manufacturer             | Vishay Dale                                         |
| Category                 | Resistors<br><a href="#">Through Hole Resistors</a> |
| Package                  | Axial                                               |
| Series                   | Military, MIL-PRF-39017/01, RLR07                   |
| Resistance               | 1 kOhms                                             |
| Tolerance                | ±2%                                                 |
| Power (Watts)            | 0.25W, 1/4W                                         |
| Composition              | Metal Film                                          |
| Features                 | Military, Moisture Resistant, Weldable              |
| Temperature Coefficient  | ±100ppm/°C                                          |
| Operating Temperature    | -65°C ~ 150°C                                       |
| Package / Case           | Axial                                               |
| Supplier Device Package  | Axial                                               |
| Size / Dimension         | 0.090" Dia x 0.250" L (2.29mm x 6.35mm)             |
| Height - Seated (Max)    | -                                                   |
| Number of Terminations   | 2                                                   |
| Failure Rate             | S (0.001%)                                          |

## RLR07C1001GSB14 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## RLR07C1001GSB14 Payment Methods

## RLR07C1001GSB14 Shipping Methods

If you have any question about RLR07C1001GSB14, please do not hesitate to contact us!
