

### **RS-197N05A1-DS RT Information**

For Reference Only

Part Number RS-197N05A1-DS RT

Manufacturer C&K

Category Switches
Tactile Switches

**Description** SWITCH TACTILE SPST-NO 0.05A 12V

Package

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **RS-197N05A1-DS RT Specifications**

Manufacturer Part Number         RS-197N05A1-DS RT           Manufacturer         C&K           Category         Switches           Package         -           Series         RS, COMAX           Circuit         SPST-NO           Switch Function         Off-Mom           Contact Rating @ Voltage         0.05A @ 12VDC           Actuator Type         Snap Dome           Mounting Type         Surface Mount           Actuator Height off PCB, Vertical         0.65mm           Actuator Length, Right Angle         -           Actuator Orientation         Top Actuated           Termination Style         Gull Wing           Outline         4.80mm x 4.50mm           Illumination         Non-Illuminated           Illumination Voltage (Nominal)         -           Operating Force         160gf           Ingress Protection         -           Features         -

#### RS-197N05A1-DS RT Guarantees

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### **RS-197N05A1-DS RT Payment Methods**

## RS-197N05A1-DS RT Shipping Methods

If you have any question about RS-197N05A1-DS RT, please do not hesitate to contact us!
