

## **RSH-175-100 Information**

Part Number RSH-175-100

Manufacturer Riedon
Category Resistors

**Chassis Mount Resistors** 

DescriptionRSH 175' AMP 100MVPackageRectangular Case - Open

# **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **RSH-175-100 Specifications**

Manufacturer Part Number         RSH-175-100           Manufacturer         Riedon           Category         Resistors           Package         Rectangular Case - Open           Series         *           Resistance         -           Tolerance         -           Power (Watts)         -           Composition         -           Temperature Coefficient         -           Operating Temperature         -           Features         -           Coating, Housing Type         -           Mounting Feature         Flanges           Size / Dimension         4.500" L x 0.750" W (114.30mm x 19.05mm)           Height - Seated (Max)         0.375" (9.53mm)           Lead Style         Screw           Package / Case         Rectangular Case - Open           Failure Rate         -

#### RSH-175-100 Guarantees

### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## **RSH-175-100 Payment Methods**

## **RSH-175-100 Shipping Methods**

If you have any question about RSH-175-100, please do not hesitate to contact us!
