

**S-1312A26-A4T1U3 Information**

For Reference Only

**Part Number** [S-1312A26-A4T1U3](#)  
**Manufacturer** SII Semiconductor Corporation  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - Linear](#)  
**Description** IC REG LINEAR 150MA HSNT4-A  
**Package** 4-SMD, Flat Lead Exposed Pad

| Series                       | -                                                                               |
| Output Configuration         | -                                                                               |
| Output Type                  | -                                                                               |
| Number of Regulators         | 1                                                                               |
| Voltage - Input (Max)        | -                                                                               |
| Voltage - Output (Min/Fixed) | -                                                                               |
| Voltage - Output (Max)       | -                                                                               |
| Voltage Dropout (Max)        | -                                                                               |
| Current - Output             | 150mA                                                                           |
| Current - Quiescent (Iq)     | -                                                                               |
| Current - Supply (Max)       | -                                                                               |
| PSRR                         | -                                                                               |
| Control Features             | -                                                                               |
| Protection Features          | -                                                                               |
| Operating Temperature        | -40°C ~ 85°C                                                                    |
| Mounting Type                | Surface Mount                                                                   |
| Package / Case               | 4-SMD, Flat Lead Exposed Pad                                                    |
| Supplier Device Package      | HSNT-4-A                                                                        |

## S-1312A26-A4T1U3 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## S-1312A26-A4T1U3 Payment Methods

## S-1312A26-A4T1U3 Shipping Methods

If you have any question about S-1312A26-A4T1U3, please do not hesitate to contact us!
