

**S-80130ANPF-JCPTFG Information**

For Reference Only

**Part Number** [S-80130ANPF-JCPTFG](#)  
**Manufacturer** SII Semiconductor Corporation  
**Category** Integrated Circuits (ICs)  
[PMIC - Supervisors](#)  
**Description** IC VOLT DETECTOR 3.0V SNT-4A  
**Package** 4-SMD, Flat Leads

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**S-80130ANPF-JCPTFG Specifications**

|                              |                                                                 |
|------------------------------|-----------------------------------------------------------------|
| Manufacturer Part Number     | <a href="#">S-80130ANPF-JCPTFG</a>                              |
| Manufacturer                 | SII Semiconductor Corporation                                   |
| Category                     | Integrated Circuits (ICs)<br><a href="#">PMIC - Supervisors</a> |
| Package                      | 4-SMD, Flat Leads                                               |
| Series                       | S-801                                                           |
| Type                         | Voltage Detector                                                |
| Number of Voltages Monitored | 1                                                               |
| Output                       | Open Drain or Open Collector                                    |
| Reset                        | Active Low                                                      |
| Reset Timeout                | 32.5 ms Minimum                                                 |
| Voltage - Threshold          | 3V                                                              |
| Operating Temperature        | -40°C ~ 85°C (TA)                                               |
| Mounting Type                | Surface Mount                                                   |
| Package / Case               | 4-SMD, Flat Leads                                               |
| Supplier Device Package      | SNT-4A                                                          |

## S-80130ANPF-JCPTFG Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## S-80130ANPF-JCPTFG Payment Methods

## S-80130ANPF-JCPTFG Shipping Methods

If you have any question about S-80130ANPF-JCPTFG, please do not hesitate to contact us!
