

**S-873350EAU-APIT2U Information**

For Reference Only

**Part Number** [S-873350EAU-APIT2U](#)  
**Manufacturer** SII Semiconductor Corporation  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - Linear](#)  
**Description** IC REG LINEAR 3.3V SOT89-5  
**Package** SOT-89-5/6

| Series                       | -                                                                               |
| Output Configuration         | -                                                                               |
| Output Type                  | -                                                                               |
| Number of Regulators         | 1                                                                               |
| Voltage - Input (Max)        | -                                                                               |
| Voltage - Output (Min/Fixed) | -                                                                               |
| Voltage - Output (Max)       | -                                                                               |
| Voltage Dropout (Max)        | -                                                                               |
| Current - Output             | -                                                                               |
| Current - Quiescent (Iq)     | -                                                                               |
| Current - Supply (Max)       | -                                                                               |
| PSRR                         | -                                                                               |
| Control Features             | -                                                                               |
| Protection Features          | -                                                                               |
| Operating Temperature        | -40°C ~ 85°C (TA)                                                               |
| Mounting Type                | Surface Mount                                                                   |
| Package / Case               | SOT-89-5/6                                                                      |
| Supplier Device Package      | SOT-89-5                                                                        |

## S-873350EAU-APIT2U Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## S-873350EAU-APIT2U Payment Methods

## S-873350EAU-APIT2U Shipping Methods

If you have any question about S-873350EAU-APIT2U, please do not hesitate to contact us!
