

**SA102A150KAA Information**

www.heisener.com

For Reference Only

**Part Number** [SA102A150KAA](#)  
**Manufacturer** AVX Corporation  
**Category** Capacitors  
[Ceramic Capacitors](#)  
**Description** CAP CER 15PF 200V NP0 AXIAL  
**Package** Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**SA102A150KAA Specifications**

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Manufacturer Part Number | <a href="#">SA102A150KAA</a>                     |
| Manufacturer             | AVX Corporation                                  |
| Category                 | Capacitors<br><a href="#">Ceramic Capacitors</a> |
| Package                  | Axial                                            |
| Series                   | SpinGuard? SA                                    |
| Capacitance              | 15pF                                             |
| Tolerance                | ±10%                                             |
| Voltage - Rated          | 200V                                             |
| Temperature Coefficient  | COG, NP0                                         |
| Operating Temperature    | -55°C ~ 125°C                                    |
| Features                 | -                                                |
| Ratings                  | -                                                |
| Applications             | General Purpose                                  |
| Failure Rate             | -                                                |
| Mounting Type            | Through Hole                                     |
| Package / Case           | Axial                                            |
| Size / Dimension         | 0.100" Dia x 0.170" L (2.54mm x 4.32mm)          |
| Height - Seated (Max)    | -                                                |
| Thickness (Max)          | -                                                |
| Lead Spacing             | -                                                |
| Lead Style               | -                                                |
