

**SBR-70-B-R75-KG300 Information**

For Reference Only

**Part Number** [SBR-70-B-R75-KG300](#)  
**Manufacturer** Luminus Devices Inc.  
**Category** Optoelectronics  
[LED Lighting - COBs, Engines, Modules](#)  
**Description** BIG CHIP LED HB BLUE  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Color                             | Blue                                                                     |
| CCT (K)                           | -                                                                        |
| Wavelength                        | 445nm                                                                    |
| Configuration                     | Starboard                                                                |
| Flux @ Current/Temperature - Test | 200 lm (Typ)                                                             |
| Current - Test                    | 10.5A                                                                    |
| Temperature - Test                | 25°C                                                                     |
| Voltage - Forward (Vf) (Typ)      | 3.8V                                                                     |
| Lumens/Watt @ Current - Test      | 5 lm/W                                                                   |
| Current - Max                     | 10.5A                                                                    |
| CRI (Color Rendering Index)       | -                                                                        |
| Viewing Angle                     | -                                                                        |
| Features                          | -                                                                        |
| Size / Dimension                  | 19.90mm Diameter                                                         |
| Height                            | 3.44mm                                                                   |
| Light Emitting Surface (LES)      | 3.00mm Diameter                                                          |
| Lens Type                         | Flat                                                                     |

## SBR-70-B-R75-KG300 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SBR-70-B-R75-KG300 Payment Methods

## SBR-70-B-R75-KG300 Shipping Methods

If you have any question about SBR-70-B-R75-KG300, please do not hesitate to contact us!
