

**SEK332M025ST Information**

For Reference Only

**Part Number** [SEK332M025ST](#)  
**Manufacturer** Cornell Dubilier Electronics (CDE)  
**Category** Capacitors  
[Aluminum Electrolytic Capacitors](#)  
**Description** CAP ALUM 3300UF 20% 25V RADIAL  
**Package** Radial, Can

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**SEK332M025ST Specifications**

|                                    |                                                                |
|------------------------------------|----------------------------------------------------------------|
| Manufacturer Part Number           | <a href="#">SEK332M025ST</a>                                   |
| Manufacturer                       | Cornell Dubilier Electronics (CDE)                             |
| Category                           | Capacitors<br><a href="#">Aluminum Electrolytic Capacitors</a> |
| Package                            | Radial, Can                                                    |
| Series                             | SEK                                                            |
| Capacitance                        | 3300 $\mu$ F                                                   |
| Tolerance                          | $\pm$ 20%                                                      |
| Voltage - Rated                    | 25V                                                            |
| ESR (Equivalent Series Resistance) | 80 mOhm                                                        |
| Lifetime @ Temp.                   | 2000 Hrs @ 105°C                                               |
| Operating Temperature              | -55°C ~ 105°C                                                  |
| Polarization                       | -                                                              |
| Applications                       | General Purpose                                                |
| Ripple Current - Low Frequency     | -                                                              |
| Ripple Current - High Frequency    | -                                                              |
| Impedance                          | -                                                              |
| Lead Spacing                       | 0.295" (7.50mm)                                                |
| Size / Dimension                   | 0.630" Dia (16.00mm)                                           |
| Height - Seated (Max)              | 1.260" (32.00mm)                                               |
| Surface Mount Land Size            | -                                                              |
| Mounting Type                      | Through Hole                                                   |
| Package / Case                     | Radial, Can                                                    |

## SEK332M025ST Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SEK332M025ST Payment Methods

## SEK332M025ST Shipping Methods

If you have any question about SEK332M025ST, please do not hesitate to contact us!
