

**SFH 320G E9133-Z Information**

For Reference Only

**Part Number** [SFH 320G E9133-Z](#)  
**Manufacturer** OSRAM Opto Semiconductors Inc.  
**Category** Sensors, Transducers  
[Optical Sensors - Phototransistors](#)  
**Description** PHOTOTRANSISTOR NPN  
**Package** -  
 For the pricing/inventory/lead time, please contact us

|                                             | <a href="#">Optical Sensors - Phototransistors</a> |
| Package                                     | -                                                  |
| Series                                      | *                                                  |
| Voltage - Collector Emitter Breakdown (Max) | -                                                  |
| Current - Collector (Ic) (Max)              | -                                                  |
| Current - Dark (Id) (Max)                   | -                                                  |
| Wavelength                                  | -                                                  |
| Viewing Angle                               | -                                                  |
| Power - Max                                 | -                                                  |
| Mounting Type                               | -                                                  |
| Orientation                                 | -                                                  |
| Operating Temperature                       | -                                                  |
| Package / Case                              | -                                                  |
| <a href="#">Report errors?</a>              |                                                    |

## SFH 320G E9133-Z Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SFH 320G E9133-Z Payment Methods

## SFH 320G E9133-Z Shipping Methods

If you have any question about SFH 320G E9133-Z, please do not hesitate to contact us!
