

**SFW9R-4STE1LF Information**

For Reference Only

**Part Number** [SFW9R-4STE1LF](#)  
**Manufacturer** Amphenol FCI  
**Category** Connectors, Interconnects  
[FFC, FPC \(Flat Flexible\) Connectors](#)  
**Description** CONN FFC FPC TOP 9POS 1.00MM R/A  
**Package** -

| Mounting Type                | Surface Mount, Right Angle                                                       |
| Connector/Contact Type       | Contacts, Top                                                                    |
| Number of Positions          | 9                                                                                |
| Pitch                        | 0.039" (1.00mm)                                                                  |
| Termination                  | Solder                                                                           |
| FFC, FCB Thickness           | 0.30mm, 0.33mm                                                                   |
| Height Above Board           | 0.106" (2.70mm)                                                                  |
| Locking Feature              | Slide Lock                                                                       |
| Cable End Type               | Notched                                                                          |
| Contact Material             | Phosphor Bronze                                                                  |
| Contact Finish               | Tin                                                                              |
| Housing Material             | Polyphenylene Sulfide (PPS), Glass Filled                                        |
| Actuator Material            | Polyphenylene Sulfide (PPS), Glass Filled                                        |
| Features                     | Zero Insertion Force (ZIF)                                                       |
| Voltage Rating               | 100V                                                                             |
| Operating Temperature        | -55°C ~ 105°C                                                                    |
| Material Flammability Rating | UL94 V-0                                                                         |

## SFW9R-4STE1LF Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SFW9R-4STE1LF Payment Methods

## SFW9R-4STE1LF Shipping Methods

If you have any question about SFW9R-4STE1LF, please do not hesitate to contact us!
