## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

### SI8035AA-B-IUR Specifications

| -                                    |                                |
|--------------------------------------|--------------------------------|
| Manufacturer Part Number             | SI8035AA-B-IUR                 |
| Manufacturer                         | Silicon Labs                   |
| Category                             | Isolators                      |
|                                      | Digital Isolators              |
| Package                              | 16-SSOP (0.154", 3.90mm Width) |
| Series                               | Automotive, AEC-Q100           |
| Technology                           | Capacitive Coupling            |
| Туре                                 | General Purpose                |
| Isolated Power                       | No                             |
| Number of Channels                   | 3                              |
| Inputs - Side 1/Side 2               | 3/0                            |
| Channel Type                         | Unidirectional                 |
| Voltage - Isolation                  | 1000Vrms                       |
| Common Mode Transient Immunity (Min) | 35kV/µs                        |
| Data Rate                            | 10Mbps                         |
| Propagation Delay tpLH / tpHL (Max)  | 65ns, 65ns                     |
| Pulse Width Distortion (Max)         | 30ns                           |
| Rise / Fall Time (Typ)               | 2.5ns, 2.5ns                   |
| Voltage - Supply                     | 3.15 V ~ 5.5 V                 |
| Operating Temperature                | -40°C ~ 125°C                  |
| Package / Case                       | 16-SSOP (0.154", 3.90mm Width) |
| Supplier Device Package              | 16-QSOP                        |
|                                      | Report errors?                 |

#### SI8035AA-B-IUR Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE BUARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.
