

**SMBJ13AHR5G Information**

For Reference Only

**Part Number** [SMBJ13AHR5G](#)  
**Manufacturer** TSC America Inc.  
**Category** Circuit Protection  
[TVS - Diodes](#)  
**Description** DIODE, TVS, UNIDIRECTIONAL, 600W  
**Package** DO-214AA, SMB

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**SMBJ13AHR5G Specifications**

|                                  |                                                    |
|----------------------------------|----------------------------------------------------|
| Manufacturer Part Number         | <a href="#">SMBJ13AHR5G</a>                        |
| Manufacturer                     | TSC America Inc.                                   |
| Category                         | Circuit Protection<br><a href="#">TVS - Diodes</a> |
| Package                          | DO-214AA, SMB                                      |
| Series                           | Automotive, AEC-Q101, SMBJ                         |
| Type                             | Zener                                              |
| Unidirectional Channels          | 1                                                  |
| Bidirectional Channels           | -                                                  |
| Voltage - Reverse Standoff (Typ) | 13V                                                |
| Voltage - Breakdown (Min)        | 14.4V                                              |
| Voltage - Clamping (Max) @ Ipp   | 21.5V                                              |
| Current - Peak Pulse (10/1000µs) | 29A                                                |
| Power - Peak Pulse               | 600W                                               |
| Power Line Protection            | No                                                 |
| Applications                     | Automotive                                         |
| Capacitance @ Frequency          | -                                                  |
| Operating Temperature            | -55°C ~ 150°C (TJ)                                 |
| Mounting Type                    | Surface Mount                                      |
| Package / Case                   | DO-214AA, SMB                                      |
| Supplier Device Package          | DO-214AA (SMB)                                     |

## SMBJ13AHR5G Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SMBJ13AHR5G Payment Methods

## SMBJ13AHR5G Shipping Methods

If you have any question about SMBJ13AHR5G, please do not hesitate to contact us!
