

**SN74ACT7811-18PN Information**

For Reference Only

**Part Number** [SN74ACT7811-18PN](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Logic - FIFOs Memory](#)  
**Description** IC SYNC FIFO MEM 1024X18 80-LQFP  
**Package** 80-LQFP

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**SN74ACT7811-18PN Specifications**

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">SN74ACT7811-18PN</a>                                  |
| Manufacturer               | Texas Instruments                                                 |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Logic - FIFOs Memory</a> |
| Package                    | 80-LQFP                                                           |
| Series                     | 74ACT                                                             |
| Memory Size                | 18K (1K x 18)                                                     |
| Function                   | Synchronous                                                       |
| Data Rate                  | 35MHz                                                             |
| Access Time                | 18ns                                                              |
| Voltage - Supply           | 4.5 V ~ 5.5 V                                                     |
| Current - Supply (Max)     | 1mA                                                               |
| Bus Directional            | Uni-Directional                                                   |
| Expansion Type             | Depth, Width                                                      |
| Programmable Flags Support | Yes                                                               |
| Retransmit Capability      | No                                                                |
| FWFT Support               | No                                                                |
| Operating Temperature      | 0°C ~ 70°C                                                        |
| Mounting Type              | Surface Mount                                                     |
| Package / Case             | 80-LQFP                                                           |
| Supplier Device Package    | 80-LQFP (12x12)                                                   |

## SN74ACT7811-18PN Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SN74ACT7811-18PN Payment Methods

## SN74ACT7811-18PN Shipping Methods

If you have any question about SN74ACT7811-18PN, please do not hesitate to contact us!
