

**SN74LVC827ANSR Information**

For Reference Only

**Part Number** [SN74LVC827ANSR](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Logic - Buffers, Drivers, Receivers, Transceivers](#)  
**Description** IC BUFF/DVR TRI-ST 10BIT 24SO  
**Package** 24-SOIC (0.209", 5.30mm Width)

| Package                    | 24-SOIC (0.209", 5.30mm Width)                                                                 |
| Series                     | 74LVC                                                                                          |
| Logic Type                 | Buffer, Non-Inverting                                                                          |
| Number of Elements         | 1                                                                                              |
| Number of Bits per Element | 10                                                                                             |
| Input Type                 | -                                                                                              |
| Output Type                | Push-Pull                                                                                      |
| Current - Output High, Low | 24mA, 24mA                                                                                     |
| Voltage - Supply           | 1.65 V ~ 3.6 V                                                                                 |
| Operating Temperature      | -40°C ~ 125°C (TA)                                                                             |
| Mounting Type              | Surface Mount                                                                                  |
| Package / Case             | 24-SOIC (0.209", 5.30mm Width)                                                                 |
| Supplier Device Package    | 24-SO                                                                                          |

## SN74LVC827ANSR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SN74LVC827ANSR Payment Methods

## SN74LVC827ANSR Shipping Methods

If you have any question about SN74LVC827ANSR, please do not hesitate to contact us!
