

**SSCDANN015PA2A5 Information**

For Reference Only

**Part Number** [SSCDANN015PA2A5](#)  
**Manufacturer** Honeywell Sensing and Productivity Solutions  
**Category** Sensors, Transducers  
[Pressure Sensors, Transducers](#)  
**Description** BRD MNT PRESSURE SENSORS  
**Package** 8-DIP (0.524", 13.30mm), Top Port

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**SSCDANN015PA2A5 Specifications**

|                                |                                                                       |
|--------------------------------|-----------------------------------------------------------------------|
| Manufacturer Part Number       | <a href="#">SSCDANN015PA2A5</a>                                       |
| Manufacturer                   | Honeywell Sensing and Productivity Solutions                          |
| Category                       | Sensors, Transducers<br><a href="#">Pressure Sensors, Transducers</a> |
| Package                        | 8-DIP (0.524", 13.30mm), Top Port                                     |
| Series                         | TruStability? SSC                                                     |
| Pressure Type                  | Absolute                                                              |
| Operating Pressure             | 15 PSI (103.42 kPa)                                                   |
| Output Type                    | I2C                                                                   |
| Output                         | 12 b                                                                  |
| Accuracy                       | ±0.25%                                                                |
| Voltage - Supply               | 4.75 V ~ 5.25 V                                                       |
| Port Size                      | Male - 0.19" (4.93mm) Tube                                            |
| Port Style                     | Barbed                                                                |
| Features                       | Amplified Output, Temperature Compensated                             |
| Termination Style              | PC Pin                                                                |
| Maximum Pressure               | 30 PSI (206.84 kPa)                                                   |
| Operating Temperature          | -40°C ~ 85°C                                                          |
| Package / Case                 | 8-DIP (0.524", 13.30mm), Top Port                                     |
| Supplier Device Package        | 8-DIP                                                                 |
| <a href="#">Report errors?</a> |                                                                       |

## SSCDANN015PA2A5 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SSCDANN015PA2A5 Payment Methods

## SSCDANN015PA2A5 Shipping Methods

If you have any question about SSCDANN015PA2A5, please do not hesitate to contact us!
