## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# ST226D00 Specifications

Manufacturer Part Number         ST226D00           Manufacturer         E-Switch           Category         Switches           Package         -           Series         ST2, LAMB           Circuit         DPDT           Switch Function         On-Off-On           Current Rating         20A (AC)           Voltage Rating - AC         125V           Voltage Rating - DC         -           Actuator Type         Standard Round           Actuator Length         17.50mm           Illumination         Non-Illuminated           Illumination Type, Color         -           Illumination Voltage (Nominal)         -           Mounting Type         Panel Mount           Termination Style         Solder Lug           Panel Cutout Dimensions         Circular - 12.00mm Dia           Bushing Thread         M12 x 1           Ingress Protection         -           Features         -

### ST226D00 Guarantees

#### **Quality Guarantees**

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

#### **Service Guarantees**

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

### ST226D00 Payment Methods

### ST226D00 Shipping Methods

If you have any question about ST226D00, please do not hesitate to contact us!
