

**SY10H600JC-TR Information**

For Reference Only

**Part Number** [SY10H600JC-TR](#)  
**Manufacturer** Microchip Technology  
**Category** Integrated Circuits (ICs)  
[Logic - Translators, Level Shifters](#)  
**Description** IC TRANSLATOR 9-BIT ECL 28-PLCC  
**Package** 28-LCC (J-Lead)

| Series                   | 10H                                                                              |
| Translator Type          | Mixed Signal                                                                     |
| Channel Type             | Unidirectional                                                                   |
| Number of Circuits       | 1                                                                                |
| Channels per Circuit     | 9                                                                                |
| Voltage - VCCA           | -                                                                                |
| Voltage - VCCB           | -                                                                                |
| Input Signal             | TTL                                                                              |
| Output Signal            | ECL                                                                              |
| Output Type              | Non-Inverted                                                                     |
| Data Rate                | -                                                                                |
| Operating Temperature    | 0°C ~ 85°C (TA)                                                                  |
| Features                 | -                                                                                |
| Mounting Type            | Surface Mount                                                                    |
| Package / Case           | 28-LCC (J-Lead)                                                                  |
| Supplier Device Package  | 28-PLCC (11.5x11.5)                                                              |

## SY10H600JC-TR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## SY10H600JC-TR Payment Methods

## SY10H600JC-TR Shipping Methods

If you have any question about SY10H600JC-TR, please do not hesitate to contact us!
