

**TCR2EE295,LM(CT Information**

For Reference Only

**Part Number** [TCR2EE295,LM\(CT](#)  
**Manufacturer** Toshiba Semiconductor and Storage  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - Linear](#)  
**Description** 200MA LDO VOUT2.95V DROPOUT180MV  
**Package** -  
 For the pricing/inventory/lead time, please contact us

| Package                      | -                                                                               |
| Series                       | *                                                                               |
| Output Configuration         | -                                                                               |
| Output Type                  | -                                                                               |
| Number of Regulators         | -                                                                               |
| Voltage - Input (Max)        | -                                                                               |
| Voltage - Output (Min/Fixed) | -                                                                               |
| Voltage - Output (Max)       | -                                                                               |
| Voltage Dropout (Max)        | -                                                                               |
| Current - Output             | -                                                                               |
| Current - Quiescent (Iq)     | -                                                                               |
| Current - Supply (Max)       | -                                                                               |
| PSRR                         | -                                                                               |
| Control Features             | -                                                                               |
| Protection Features          | -                                                                               |
| Operating Temperature        | -                                                                               |
| Mounting Type                | -                                                                               |
| Package / Case               | -                                                                               |
| Supplier Device Package      | -                                                                               |

## TCR2EE295,LM(CT Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## TCR2EE295,LM(CT Payment Methods

## TCR2EE295,LM(CT Shipping Methods

If you have any question about TCR2EE295,LM(CT, please do not hesitate to contact us!
