

**TEA1999TK/2J Information**

For Reference Only

**Part Number** [TEA1999TK/2J](#)  
**Manufacturer** NXP  
**Category** Integrated Circuits (ICs)  
[PMIC - Power Supply Controllers, Monitors](#)  
**Description** IC CTRLR SYNC RECT HVSON8  
**Package** 8-VDFN Exposed Pad

|--------------------------|----------------------------------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">TEA1999TK/2J</a>                                                           |
| Manufacturer             | NXP                                                                                    |
| Category                 | Integrated Circuits (ICs)<br><a href="#">PMIC - Power Supply Controllers, Monitors</a> |
| Package                  | 8-VDFN Exposed Pad                                                                     |
| Series                   | GreenChip™                                                                             |
| Applications             | Active/Synchronous Rectification Controller                                            |
| Voltage - Input          | -                                                                                      |
| Voltage - Supply         | 0V ~ 21V                                                                               |
| Current - Supply         | 250µA                                                                                  |
| Operating Temperature    | -40°C ~ 150°C (TJ)                                                                     |
| Mounting Type            | Surface Mount                                                                          |
| Package / Case           | 8-VDFN Exposed Pad                                                                     |
| Supplier Device Package  | 8-HVSON (3x3)                                                                          |
