## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

# **TK10V60W,LVQ Specifications**

| Manufacturer Part Number               | TK10V60W,LVQ                         |
|--|--------------------------------------|
| Manufacturer                           | Toshiba Semiconductor and Storage    |
| Category                               | Discrete Semiconductor Products      |
|  | Transistors - FETs, MOSFETs - Single |
| Package                                | 4-VSFN Exposed Pad                   |
| Series                                 | DTMOSIV                              |
| FET Type                               | N-Channel                            |
| Technology                             | MOSFET (Metal Oxide)                 |
| Drain to Source Voltage (Vdss)         | 600V                                 |
| Current - Continuous Drain (Id) @ 25°C | 9.7A (Ta)                            |
| Drive Voltage (Max Rds On, Min Rds On) | 10V                                  |
| Vgs(th) (Max) @ Id                     | 3.7V @ 500µA                         |
| Gate Charge (Qg) (Max) @ Vgs           | 20nC @ 10V                           |
| Input Capacitance (Ciss) (Max) @ Vds   | 700pF @ 300V                         |
| Vgs (Max)                              | ±30V                                 |
| FET Feature                            | Super Junction                       |
| Power Dissipation (Max)                | 88.3W (Tc)                           |
| Rds On (Max) @ Id, Vgs                 | 380 mOhm @ 4.9A, 10V                 |
| Operating Temperature                  | 150°C (TJ)                           |
| Mounting Type                          | Surface Mount                        |
| Supplier Device Package                | 5-DFN (8x8)                          |
| Package / Case                         | 4-VSFN Exposed Pad                   |
|  | Report errors?                       |

#### **TK10V60W,LVQ Guarantees**

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE ELARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

### **TK10V60W,LVQ Payment Methods**

# **TK10V60W,LVQ Shipping Methods**

If you have any question about TK10V60W,LVQ, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
