

**TL431ACDCKR Information**

For Reference Only

**Part Number** [TL431ACDCKR](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Reference](#)  
**Description** IC VREF SHUNT ADJ SC70  
**Package** 6-TSSOP, SC-88, SOT-363

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**TL431ACDCKR Specifications**

|                              |                                                                       |
|------------------------------|-----------------------------------------------------------------------|
| Manufacturer Part Number     | <a href="#">TL431ACDCKR</a>                                           |
| Manufacturer                 | Texas Instruments                                                     |
| Category                     | Integrated Circuits (ICs)<br><a href="#">PMIC - Voltage Reference</a> |
| Package                      | 6-TSSOP, SC-88, SOT-363                                               |
| Series                       | -                                                                     |
| Reference Type               | Shunt                                                                 |
| Output Type                  | Adjustable                                                            |
| Voltage - Output (Min/Fixed) | 2.495V                                                                |
| Voltage - Output (Max)       | 36V                                                                   |
| Current - Output             | 100mA                                                                 |
| Tolerance                    | ±1%                                                                   |
| Temperature Coefficient      | -                                                                     |
| Noise - 0.1Hz to 10Hz        | -                                                                     |
| Noise - 10Hz to 10kHz        | -                                                                     |
| Voltage - Input              | -                                                                     |
| Current - Supply             | -                                                                     |
| Current - Cathode            | 600µA                                                                 |
| Operating Temperature        | 0°C ~ 70°C (TA)                                                       |
| Mounting Type                | Surface Mount                                                         |
| Package / Case               | 6-TSSOP, SC-88, SOT-363                                               |
| Supplier Device Package      | SC-70-6                                                               |

## TL431ACDCKR Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## TL431ACDCKR Payment Methods

## TL431ACDCKR Shipping Methods

If you have any question about TL431ACDCKR, please do not hesitate to contact us!
