

**TLV2465IPW Information**

For Reference Only

**Part Number** [TLV2465IPW](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Linear - Amplifiers - Instrumentation, OP Amps, Buffer Amps](#)  
**Description** IC OPAMP GP 6.4MHZ RRO 16TSSOP  
**Package** 16-TSSOP (0.173", 4.40mm Width)

| Amplifier Type                          | General Purpose                                                                                          |
| Number of Circuits                      | 4                                                                                                        |
| Output Type                             | Rail-to-Rail                                                                                             |
| Slew Rate                               | 1.6 V/ $\mu$ s                                                                                           |
| Gain Bandwidth Product                  | 6.4MHz                                                                                                   |
| -3db Bandwidth                          | -                                                                                                        |
| Current - Input Bias                    | 1.3nA                                                                                                    |
| Voltage - Input Offset                  | 500 $\mu$ V                                                                                              |
| Current - Supply                        | 550 $\mu$ A                                                                                              |
| Current - Output / Channel              | 80mA                                                                                                     |
| Voltage - Supply, Single/Dual ( $\pm$ ) | 2.7 V ~ 6 V, $\pm$ 1.35 V ~ 3 V                                                                          |
| Operating Temperature                   | -40°C ~ 125°C                                                                                            |
| Mounting Type                           | Surface Mount                                                                                            |
| Package / Case                          | 16-TSSOP (0.173", 4.40mm Width)                                                                          |
| Supplier Device Package                 | 16-TSSOP                                                                                                 |

## TLV2465IPW Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## TLV2465IPW Payment Methods

## TLV2465IPW Shipping Methods

If you have any question about TLV2465IPW, please do not hesitate to contact us!
