

**TLV2772AQPWRQ1 Information**

For Reference Only

**Part Number** [TLV2772AQPWRQ1](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[Linear - Amplifiers - Instrumentation, OP Amps, Buffer Amps](#)  
**Description** IC OPAMP GP 5.1MHZ RRO 8TSSOP  
**Package** 8-TSSOP (0.173", 4.40mm Width)

| Amplifier Type                          | General Purpose                                                                                          |
| Number of Circuits                      | 2                                                                                                        |
| Output Type                             | Rail-to-Rail                                                                                             |
| Slew Rate                               | 10.5 V/ $\mu$ s                                                                                          |
| Gain Bandwidth Product                  | 5.1MHz                                                                                                   |
| -3db Bandwidth                          | -                                                                                                        |
| Current - Input Bias                    | 2pA                                                                                                      |
| Voltage - Input Offset                  | 360 $\mu$ V                                                                                              |
| Current - Supply                        | 1mA                                                                                                      |
| Current - Output / Channel              | 50mA                                                                                                     |
| Voltage - Supply, Single/Dual ( $\pm$ ) | 2.5 V ~ 5.5 V, $\pm$ 1.25 V ~ 2.75 V                                                                     |
| Operating Temperature                   | -40°C ~ 125°C                                                                                            |
| Mounting Type                           | Surface Mount                                                                                            |
| Package / Case                          | 8-TSSOP (0.173", 4.40mm Width)                                                                           |
| Supplier Device Package                 | 8-TSSOP                                                                                                  |

## TLV2772AQPWRQ1 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## TLV2772AQPWRQ1 Payment Methods

## TLV2772AQPWRQ1 Shipping Methods

If you have any question about TLV2772AQPWRQ1, please do not hesitate to contact us!
