# **Certified Quality**

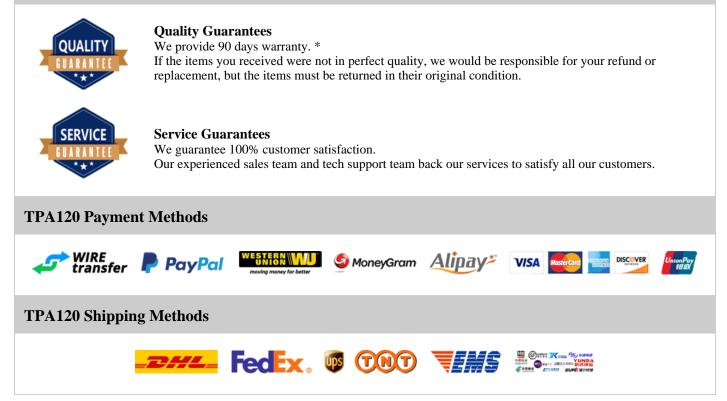

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **TPA120 Specifications**

| Manufacturer Part Number         | TPA120                 |
|----------------------------------|------------------------|
| Manufacturer                     | STMicroelectronics     |
|                                  |                        |
| Category                         | Circuit Protection     |
|                                  | TVS - Thyristors       |
| Package                          | DO-204AC, DO-15, Axial |
| Series                           | TPA, TRISIL?           |
| Voltage - Breakover              | 160V                   |
| Voltage - Off State              | 120V                   |
| Voltage - On State               | -                      |
| Current - Peak Pulse (8/20µs)    | 150A                   |
| Current - Peak Pulse (10/1000µs) | 50A                    |
| Current - Hold (Ih)              | 150mA                  |
| Number of Elements               | 1                      |
| Capacitance                      | 30pF                   |
| Mounting Type                    | Through Hole           |
| Package / Case                   | DO-204AC, DO-15, Axial |
|                                  | Report errors?         |

#### **TPA120 Guarantees**
