

**TPS62007DGSG4 Information**

For Reference Only

**Part Number** [TPS62007DGSG4](#)  
**Manufacturer** Texas Instruments  
**Category** Integrated Circuits (ICs)  
[PMIC - Voltage Regulators - DC DC Switching Regulators](#)  
**Description** IC REG BCK 3.3V 0.6A SYNC 10MSOP  
**Package** 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)

| Package                      | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                            |
| Series                       | -                                                                                                   |
| Function                     | Step-Down                                                                                           |
| Output Configuration         | Positive                                                                                            |
| Topology                     | Buck                                                                                                |
| Output Type                  | Fixed                                                                                               |
| Number of Outputs            | 1                                                                                                   |
| Voltage - Input (Min)        | 2.5V                                                                                                |
| Voltage - Input (Max)        | 5.5V                                                                                                |
| Voltage - Output (Min/Fixed) | 3.3V                                                                                                |
| Voltage - Output (Max)       | -                                                                                                   |
| Current - Output             | 600mA                                                                                               |
| Frequency - Switching        | 750kHz                                                                                              |
| Synchronous Rectifier        | Yes                                                                                                 |
| Operating Temperature        | -40°C ~ 85°C (TA)                                                                                   |
| Mounting Type                | Surface Mount                                                                                       |
| Package / Case               | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                            |
| Supplier Device Package      | 10-VSSOP                                                                                            |

## TPS62007DGSG4 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## TPS62007DGSG4 Payment Methods

## TPS62007DGSG4 Shipping Methods

If you have any question about TPS62007DGSG4, please do not hesitate to contact us!
