**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**U211MD9AQE Specifications**

|                                |   |
|--------------------------------|---|
| Manufacturer Part Number       | <a href="#">U211MD9AQE</a>                  |
| Manufacturer                   | C&K   |
| Category                       | Switches<br><a href="#">Toggle Switches</a> |
| Package                        | -   |
| Series                         | 7000  |
| Circuit                        | SP3T  |
| Switch Function                | On-On-On                                    |
| Current Rating                 | 5A (AC/DC)                                  |
| Voltage Rating - AC            | 120V  |
| Voltage Rating - DC            | 28V   |
| Actuator Type                  | Standard Round                              |
| Actuator Length                | 6.86mm                                      |
| Illumination                   | Non-Illuminated                             |
| Illumination Type, Color       | -   |
| Illumination Voltage (Nominal) | -   |
| Mounting Type                  | Through Hole, Right Angle                   |
| Termination Style              | PC Pin                                      |
| Panel Cutout Dimensions        | -   |
| Bushing Thread                 | Unthreaded                                  |
| Ingress Protection             | -   |
| Features                       | Jumper needed to achieve triple throw       |
