

**UG58G B0G Information**

For Reference Only

**Part Number** [UG58G B0G](#)  
**Manufacturer** TSC America Inc.  
**Category** Discrete Semiconductor Products  
                   [Diodes - Rectifiers - Single](#)  
**Description** DIODE, ULTRA FAST, 5A, 600V, 20N  
**Package** DO-201AD, Axial

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**UG58G B0G Specifications**

|                                   |                                                                                 |
|-----------------------------------|---------------------------------------------------------------------------------|

| Manufacturer                      | TSC America Inc.                                                                |
| Category                          | Discrete Semiconductor Products<br><a href="#">Diodes - Rectifiers - Single</a> |
| Package                           | DO-201AD, Axial                                                                 |
| Series                            | -                                                                               |
| Diode Type                        | Standard                                                                        |
| Voltage - DC Reverse (Vr) (Max)   | 600V                                                                            |
| Current - Average Rectified (Io)  | 5A                                                                              |
| Voltage - Forward (Vf) (Max) @ If | 2.1V @ 5A                                                                       |
| Speed                             | Fast Recovery =< 500ns, > 200mA (Io)                                            |
| Reverse Recovery Time (trr)       | 20ns                                                                            |
| Current - Reverse Leakage @ Vr    | 30μA @ 600V                                                                     |
| Capacitance @ Vr, F               | -                                                                               |
| Mounting Type                     | Through Hole                                                                    |
| Package / Case                    | DO-201AD, Axial                                                                 |
| Supplier Device Package           | DO-201AD                                                                        |
| Operating Temperature - Junction  | -55°C ~ 150°C                                                                   |

## UG58G B0G Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## UG58G B0G Payment Methods

## UG58G B0G Shipping Methods

If you have any question about UG58G B0G, please do not hesitate to contact us!
